

Soundcalm - Privacy Policy

Introduction

Soundcalm is a free app - free as in download price. The software is provided as is and without warranty.

Information collection and use

The app does not collect/transfer any personal information. All information required for the app to function is stored on-device and is never sent to a server.

Third-party service providers

The app does not use any third-party service providers.

Security

The app stores all information required for the app to function on-device and the information is never sent to a server.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. Thus, you are advised to review this document periodically for any changes. These changes are effective immediately, after they are made public.
